**Re: Notice of Acceptance for Foreign Site Reference Number 5000275  
Gemini Pharmaceuticals, Inc.  
87 Modular Avenue, Commack, New York, USA, 16007**

Dear Mr. Granger:

The Natural and Non-prescription Health Products Directorate (NNHPD) is pleased to inform you that the Good Manufacturing Practice (GMP) information and material submitted for the above Foreign Site Reference Number (FSRN) Application, have been assessed and found to comply with GMP requirements outlined in Part 3 of the *Natural Health Products Regulations* (NHPR). Please consider this as your notice of acceptance as an approved foreign manufacturer, packager and labeler.

Your reference number is **5000275** and is valid until **15 December 2015**. You may authorize your importers in Canada to access your information to support their site licence application. Your authorization is to be given by completing the authorization form found on the NNHPD website. Please provide the completed form to the NNHPD through your importers.

In order to maintain the status of your site, it is necessary that you update your GMP information every year before the date of expiry. If you have any questions regarding the application process or if you need information on how to maintain your reference number, please contact the Site Licence Assessment Unit by email at: [sla.info.dle@hc-sc.gc.ca](mailto:sla.info.dle@hc-sc.gc.ca).

Should you have any questions concerning this notice, please contact the Site Assessment Officer, Jenny Schuller, at 613-957-6788. Please note that the company code, file number, submission number, and foreign site reference number must be quoted on all correspondence regarding this submission.

Yours sincerely,
