To Whom It May Concern:

Gemini Pharmaceuticals, Inc., located in Commack, NY, membership #98153, is a current member in good standing with the Natural Products Association through July 31, 2015.

The Natural Products Association is a trade organization representing retailers, manufacturers and distributors of the natural products industry in the United States. As the only natural products trade association in the US, the Natural Products Association represents its member's interests before the FDA on enforcement procedures, health claims, labeling issues and before the states' legislature on nutritional information matters.

Sincerely,
